

# Sacramento Container Corporation

## **FLEXO FOLDER GLUER OPERATOR**

Sacramento Container is a leading corrugated box manufacturer and packaging distributor located in California. We have been recognized in our industry for our innovative approach to "Changing the Rules", our tremendous growth, and our industry leading technology.

### **Essential Functions:**

3-4 Color Flexo Folder Gluer Operator in a fast-paced manufacturing and warehouse environment

### **Minimum Qualifications:**

- Experienced running a Mini Flexo (24 inch) or a Midline (37 inch) with a die cut section
- Able to be in command of a 3-4 person crew and run quality work in conjunction with production goals
- Able to work any shift

### **Application Instructions**

Please send resume by email to [employment@saccontainer.biz](mailto:employment@saccontainer.biz) or fax to 916-614-0591. Applications are also available at 4841 Urbani Ave. McClellan, CA 95652. Applications are only accepted for open positions. If you are applying for more than one position, please complete a new application for each additional position. Applications that are received incomplete, are missing requested information, or are submitted after the closing date, will not be considered.

It is important that your application clearly indicate that you meet the minimum qualifications for the position. Please include enough relevant training and experience to demonstrate that you possess the minimum qualifications. Only applications that meet the minimum qualifications will be considered. Please note: no submitted materials will be returned.

All job offers at Sacramento Container are contingent upon a pre-employment drug test, and background screen. We are an Equal Employment Opportunity Employer and recognize that the key to our success lies in the abilities and vision of our employees.
